Dear Mr. Walczak, David J.:

We have to list and clarify our problems about this case as following:

1. Generally, USPTO has to publish this case after the filing date about 18 months, but till now, we never see this case published on the USPTO website. It may delay 3 months more. (This case should have been published on the USPTO website since 1 May 2005, included the specification and related official documents.)
2. We luckily received "the notice of allowance and fee due" from the examiner Walczak, David J. dated 20 October 2004 – before aforesaid published date, we paid the issue fee and publication fee amount to USD 985 by ticket mailed to USPTO on 11/18/2004 as soon as possible, but we never receive any related documents about this case until now.
3. The delayed issue certificated may be our faults, we list for your reference:
 1. the USPTO never issue the notice as mentioned above, but we received a faxed notice from someone, just a joke to amuse himself.
 2. our case may be rejected by the Examiner, but we did not know.
 3. we have not paid enough issue fee in time and failed to inform us. (it may need to pay USD 1000, but we only paid USD 985)
 4. the case still wait for some reason.

We only hope the Examiner circle the items listed above and fax back to our fax machine : 886-2-2789-3701. our E-mail address: cho0123@ms18.hinet.net very thanks!

Best regards,

Sincerely Yours,
Huang, Ming
